Wal-Mart

Ever wonder what to do with all those grocery store bags? We've got just the solution. We have been able to start the Wal-Mart Kids Recycling Challenge Program this year. The program runs October 1~ March 31. All we have to do is fill the huge collection bags with clean, dry plastic shopping and grocery bags of any type and color *except* black or produce bags. Please be sure to remove everything from the bags. For each collection bag that we fill, Wal-Mart awards us \$5.00. Our collection bag is located in the first classroom on the left. Feel free to drop your bags there.

Zaxby's

Thank you to everyone that came out and ate at Zaxby's this past month. We received **\$130.23!** We would love to see you again this month. It's a great opportunity to visit with each other in a relaxed environment. Tell your family and friends about our Zaxby's night. Remember we get 10% of *total sales*, not just ours, for the next 7 months.

Box Tops

It's time for our next Box Tops contest. For this 9 weeks it will be a contest between classes. The class that wins gets to have a casual dress day.

Penny Drive

Remember to keep those pennies coming in thru November.
